Tourist Information Centre moving today - at last!

The relocation of Elk Point's Tourist Information Centre been one of the longest reoccurring issues on the Elk Point Chamber of Commerce agenda, dating back to at least the mid-1980s, but finally the TIC is hitting the road for a new location.

Lively discussion at last Wednesday's Chamber meeting ended with a decision to relocate the facility immedi-

ately that approval was given by the Town of Elk Point to a site immediately adjacent to the RV dump station along Highway 41 north. The service road will give good access to the TIC for large trailers and motorhomes, which have had difficulty accessing the current location. At press time, the move is scheduled to take place today.

The new site is not perma-

nent, however. The Chamber still hopes to make an enlarged tourist information facility part of a restored 'train station' building with RV parking, washrooms and other amenities on Railway Avenue and Main Street at some time in the future, whenever funds permit the long-term project to go ahead.

Two recent events were applauded by the Chamber.

The community-wide garage sale may not have made the Chamber a huge profit, but its real benefit was to bring people to town.

The Elk Point Co-op was praised for its exceptional fundraiser barbecue, with 310 people served a great steak supper. Co-op manager Dwayne Odgaard said that being the first time for the event, "we had no idea what to expect... but we had lots of

volunteers and we're very proud of our staff." The project netted \$1215 for the Elk Point Public Library.

Odgaard also told the Chamber that the Co-op has extended their hours to 7 p.m. Monday through Thursday for the convenience of their customers.

The Chamber will now take a summer recess until the first Wednesday in September.

Medals for Stingers, Blue Lightning at Lakeland Cup

By Juanita Buck
Elk Point Soccer Club

The Lakeland Cup, played in Vermilion, the tournament that finishes our division championships, was the place to see great soccer the weekend of June 15 and 16. And, as a bonus, our Elk Point teams played their best games of the season and came away with medals to prove it.

The U12 Stingers beat Vilna (14-0) and Myrnam (9-0) to get a spot in the Gold Medal game. Viking was our honorable opposition in the final game of the last day. In the blaring heat after an exhausting and extended day, our team played the game they have been leading up to all season and came away with a 3-1 win to receive the gold medal for Tier 5 in the Lakeland Division of Alberta. Viking had to settle for silver and the bronze medal went to Two Hills in their game against Myrnam.

Over the weekend our feisty mid-field team of Allan MacDonald, Alex Buck, Dusty Frisby and Milo Smith got the ball up the pitch to our speedy strikers. It was great to see all the passing going on up the pitch, however the amazing part was witnessing the passing our strikers did while trying to get the ball in the net. I'm sure it's the reason we did so well at the tournament and a skill that will do these players well for years to come.

Ian Jurak scored 11 points, Brendan Bishop and Garrett Duffee scored four apiece, Eric Mosley, Warren Jurak (who played on field as well as sharing goalkeeping with Kent Boyko) and Allan MacDonald scored two each and Kent Boyko scored one.

As usual, the rear defense of Oliver (Pitbull) Buck and Amber (Fleetfoot) Babcock played superbly and rarely let the ball get past their line. In the middle of the field, Josh Gadowski

Industrial Arts teacher built a great 31-year career

Many community facilities benefitted from his class projects over the years

INDUSTRIAL ARTS TEACHER Blaine Easthope shows off his new jacket, presented by the school staff in commemoration of his 31 years of dedicated teaching to generations of Elk Point students. Along with shop skills, he taught them to be productive members of their community.

An engraved hammer and a coat bearing the F. G. Miller High School logo and the years 1971 - 2002 will go with Blaine Easthope when he walks out of the school's Industrial Arts Shop door for the final time. Easthope is retiring after 31 years of teaching skills ranging from carpentry to welding to being a valuable asset to the community, to generations of students.

Last Tuesday afternoon, Easthope was honored by the school's staff and students with a power point presentation entitled "Mr. E. from A to D." From the '70s, when he taught his first students safety and a structured work ethic, through the '80s, when his students got involved in community projects and school improvements and the '90s, when these projects included a handsome sign for the school, and into a new century, the nostalgic photos brought back many memories. Now, in 2002, "with all his baskets in order," he is helping his students finish up their final projects of the year as his "well constructed career" spanning three decades comes to an end.

Special guests on hand for Easthope's retirement gathering included his wife Deanna and St. Paul Regional School Division Assistant Superintendent Carmen Brodziak.

Principal Jim Hawkins noted that Easthope's "tremendous career" included many accomplishments outside the school, including the picnic tables at Stoney Lake and the penalty boxes at the arena, as well as the tiers for graduation seating and the basketball backboards in the school gym. "He likes to get things done."

Kirsty Lindquist and Brad Young presented Easthope with an engraved hammer on behalf of the Students' Union, while Hawkins presented him with a coat emblazoned with the school logo and years of service.

Easthope said the power point presentation made his life flash before his eyes. His 31 years translates into "46,000 class periods, two million minutes - that's a long time." His days at FGM "go back far enough to remember the man this school was named after," as well as

his son and grandson. "It's been a long time, but a good time. My first students are now 49... and my mother doesn't know what to do with a retired son."

Easthope recalled that many of his students' projects have been built with used material. "We have taken the boards and the penalty boxes out of the arena twice, and we've added onto the school twice and renovated once." He didn't take the job with the plan to stay for three decades: "I came to stay a couple of years, but stuck it out and stayed. It's been a good thing for me - the County gave me a lot of rope, and let me do projects

other places couldn't. There were no welders in the schools when I came here, but I asked for one and soon the others had them too. Ours is the top facility of a multi-use shop in the area, and we can do a lot of things in it."

Easthope urged the students to "keep the standards high, don't let them sag. Work hard, and go out in the community and be a real asset." He asked the students to "rally around David" Shankowski, who will take over the Industrial Arts post in the fall.

In closing, he said "the hardest thing I have to do is walk out of here. My classroom has become my home."

READY TO BUILD A GREAT RETIREMENT - The FGM Students' Union presented Blaine Easthope with an engraved hammer for use in his home workshop,

ELK POINT CO-OP IS THE GREATEST! said grateful members of Elk Point Public Library's board and staff, as they accepted the proceeds of the June 14 fundraising barbecue from Dwayne Odgaard and his staff, and presented the Co-op with a certificate of appreciation. Left to right are library board member Heather Bjornstad, librarian Daphne Schnurer, Co-op staff member Peggy Riome, library board members Mae Hendrickson and Sherry Pelech, Co-op manager Dwayne Odgaard and staff members Brent Patterson, Bryan Vanwyck, Margaret Marcoux, Mark Gormley, Christine Krankowsky, Cindy Gormley; front, left to right - Kelly Hovdestad, Angela Lowry, Karen Ziomek, Doris Freeman. Staff members (not shown) Annette Sakowski, Jackie Heagy, Amanda Wirsta, Tracy Mc Anally, library board member Parrish Tung and staff members' husbands Ken Sakowski and Steve Riome also helped out with the barbecue.

Library benefits from Co-op fundraiser

Delighted members of Elk Point Public Library's board and staff visited the Elk Point Co-op Friday morning to express their appreciation to the Co-op manager and staff, who presented them with a \$1215 cheque toward library operating expenses.

Odgaard said he had excellent cooperation from his staff, who all pitched in to assist in serving up steak dinner with all the trimmings to 315 people. His suppliers, including one who donated 240

steaks, helped substantially in keeping costs down so that most of the proceeds could go toward assisting the library with operating expenses.

St. Paul and District Co-op strives toward

being "Community Builders," and this generous contribution proves that this is more than just an ideal - it's something they actually put into action in the communities they serve.

Weekend too hot for very busy minor ball schedule

By Doug Bassett
Review Sports

I've always believed that if you can't say something nice, don't say anything at all. The Sox lost all four games this past weekend in Vegreville, that all I can say. I should stop right now. O.K. maybe it was hot, hot, hot, and the Sox played back to back games, two days in a row, on a T Ball sized diamond, 260' to the fence. But on the other hand, other than the back-to-back games, it was the same for both teams. E for Errors, E1, E2, E3, E4, E5, E6, E7, E8, E9, Fumbles and overthrows, and then not hitting the ball at all. Three up three down. The Sox just plain sucked!!!! No excuses. Period.

Now, hopefully the boys can suck her up, put last weekend behind them, (and I have faith that they will) because this coming weekend they travel to Athabasca for the second round robin, meeting Athabasca, High Prairie and the Edmonton Warriors. At least Athabasca has a

nice camp grounds and golf course, that's something positive, just in case we decide to boot the ball around again. Oops, did I say that?

MOSQUITOES IN BONNYVILLE

And now for some good news. Our Mosquitoes boys coached by Lyle Marianchuk, Gary Marieniuk and Lorn Berg had a very good weekend in the year end tournament in Bonnyville, winning all three games on Saturday against, Cold Lake 1, Cold Lake 2 and Bonnyville 1, taking them to the semi final, on Sunday against Cold Lake 1, winning that one putting them in the final against Bonnyville 2, which they lost in a close game, taking 2nd place overall. All the boys played extremely well, especially considering the number of games and the heat. Good job guys!

MIDGET GIRLS IN ST. PAUL

Another very brutal schedule, saw our Midget girls playing three back to back games in the unbearable heat on Sunday, the girls

winning the first game by the 10 run mercy rule against Cold Lake, then losing to St. Paul, and then with only 20 minutes in between games losing their final game to Cold Lake.

And now for our K.A. Campbell sports trivia. Joe DiMaggio's, 56 game hitting streak is the longest in major league history, but did you know he had a longer streak in the minors. He hit in 61 straight contests while playing for the San Francisco Seals of the old Pacific Coast League.

SEASON ENDS FOR ELK POINT PEEWEE MENACES

By Laverne Wilson
Menaces Coach

Final league play last week saw a great game at Bonnyville which ended with Elk Point ahead 22 to 21 in our first win of the season.

The next game, against St. Paul, saw great pitching by St. Paul and a faltering defense for us, final score St. Paul 28, Elk Point 6.

At this weekend's final tournament in St.

Paul, Game one - St. Paul 19, Elk Point 12. Elk Point had the lead until the bottom of the fourth inning, then our bats became quiet. All the girls played well with great pitching by Chelsea Schnurer during the entire game.

Game two - Cold Lake 22, Elk Point 2. Brittany Ballas did an excellent job at the pitcher's mound, but weak defense and batting were our downfall in this game.

Game three - Bonnyville 25, Elk Point 15. The game ended after five innings on the mercy rule. The day was extremely hot but all teams put out a great effort for the large fan turnout.

St. Paul lost to Cold Lake 4-3 to take second, leaving Cold Lake

the League winner for the year.

On behalf of minor ball, we wish to thank all the coaches, parents and fans for a great season, which was a success because of your

dedication in keeping your family involved in softball and baseball. And of course, a big thank you to all the players who kept minor ball alive and well for another year.

Grade 11 student Shelly Gladue topped the Senior High entrants with 57 entries which won her eight prizes, Grade 9's John Braga had 52 entries and four prizes, and Grade 12's Carson Mutch had 31 entries and two prizes. The top entrants from each grade also won additional gifts.

Carol Lee, who tallied the entire mountain of entries, was presented with a bouquet of flowers for her efforts. Darlene Sereda, Donna Gulayec and Denise Bjorkman, who helped the students with the pyrogy making fundraiser, were presented with garden stepping stones.

what's NEWS at the LIBRARY?

Summer Reading Program starts next week - register now

By Carlen Mutch
Elk Point Public Library

I just have a few things to pass along today. First, a big thanks goes out to the Co-op for their wonderful support. I heard that the steak supper was just delicious and everyone that went had a great time. The funds raised are greatly

appreciated by the library.

Also, thanks to those volunteers who helped the library by working at last Thursday's bingo in St. Paul. You are much appreciated.

It's just one week today until the Summer Reading Program gets underway, and young readers sail off into the wonderful world of

adventures that books provide. The sessions for children ages 4 to 7 will be on Tuesdays from 1:30 to 3 p.m., and for ages 8 to 11 on Thursdays from 1:30 to 3:00 p.m.

We have a whole lot of fun, including stories, crafts and games, lined up and ready to go, so make sure your youngsters are registered and

ready to join us for a great summer.

Sorry, seniors, the Seniors Teas have been put on hold for the summer months to allow the Summer Readers to use the Program Room - but the teas will resume in September.

Next, just a little reminder about interlibrary loans. Because these aren't our books,

the due date is very important. If you are taking advantage of this service, please return your books in a timely manner. Interlibrary loans depend on patrons using the service courteously.

Finally, the library will be closing early on

Friday, June 28. We will be closing at 4:30 p.m. instead of 6:00 p.m. Hopefully this won't cause any inconvenience for anyone. The library will also be closed on Monday, July 1, for the Canada Day holiday. Have a great Canada Day, everyone!

NE retired teachers meet in Mallaig

By Lily McCool

North East Alberta Retired Teachers

The North East Alberta Retired Teachers' Association met on Tuesday, June 11, 2002 at the Seniors' Centre in Mallaig. Besides having the opportunity to meet with former colleagues, we discuss the activities of ARTA, our parent group, those of other related organizations such as the Alberta Council on Aging, and our own committees. Then we take the agreed-upon actions in order to promote the well-being of our own members as well as seniors in general. We are involved with administering our own extended health insurance, as well as home and auto, plus others. A

recent goal is encouraging and taking part in Grandparents' Day walks with ACA. Another interest is in assisting various historical groups to preserve the history of our province, such as by erecting signs to mark the original school sites of country schools.

The business meeting was followed by a very enjoyable noon lunch prepared by Therese Veil and the Mallaig ladies. Following lunch, we enjoyed the entertainment provided by the music students of Margo Dargis.

All retired teachers from North Eastern Alberta are invited to attend NEARTA meetings held quarterly at various locations. Our next meeting is scheduled for the third Tuesday of September at Eastbourne Hall on Highway 28A, hosted by the members from Bonnyville

IN MEMORIAM

BERG, Dennis John
July 2, 1989

We Remember: The calming smile upon your face, your reassuring embrace, Forever as the seasons change and years move on, time reminds us how fortunate we were to share moments and memories with you, Dennis. It was never like you to leave without saying good-bye. God made this closure and indeed we cry.

When you're quietly standing in our dreams, it's your natural way of saying my soul is free as the Wind Beneath My Wings.

We will love and miss you always - Mom, Dad, Rusty, Lynn, Mandy, Shelby, Sharon, Thomas & Tara-Lynn.

THANK YOU

PORCINA, Pearl

From the family of the late Pearl Porcina, we would like to thank everyone who brought food, flowers, sympathy cards and shared in our time of sorrow.

A very special thank you to the Elk Point Health Centre staff for giving our mom such great care and support. Thanks to Father Lipinski, cantor Mr. Kachmar, Yewchin's Funeral Chapel, bag piper Pat Stuparyk and the ladies from the Pioneer Circle who prepared and served lunch.

If we have overlooked anyone in any way, please accept this as our thanks to you.

Medals for Stingers, Blue Lightning at Lakeland Cup

(Continued from Front Page)
and Graham Zarowny held the line and controlled the ball before passing up to the mid-field. Each member of our team played their positions well and everyone can be proud of the sportsmanship on and off the pitch this team displayed at the tournament.

After the game, I think the ice cream that the coaches treated the team to, was the cherry on the icing for this team; they have had a great season.

In the U14 Tier 5 of the Lakeland Division, the teams all played for game points, and at the end of the weekend our U14 Blue Lightning came away with the Bronze Medal. The Blue Lightning had four games over the two days, and in the point system a win is three points and a tie is one point. We scored enough points over the two days and our

never-say-die attitude finally paid off for these members of the Elk Point Club.

The gold medal went to Vilna Fire and silver to Myrnam Vikings.

Our coach, Dan Cazabon, said "if we had 10 seconds more, we could have had silver," so you know where they get the idea to keep trying.

In all the games, Collin Breen showed his goal-keeping abilities with some amazing saves. Against Myrnam, Christina Moores almost made a goal single handed, and Jonah Desjarlais was everywhere in Myrnam's face. It was good to see Kelcey Cardinal's awesome directional kick, and some fancy footwork by Ryan Merkel. Emily Mosley and Richy McKay put some long passes down the field to the

BRONZE FOR BLUE LIGHTNING - Bringing home the bronze in the U14 division were: back row, left to right - Darcy Abbott (manager), Collin Breen, Richy McKay, Ryan MacDonald, Candace Babcock, Christina Moores, Kelcey Cardinal, Zoey Kinjerski, Dan Cazabon (coach); front, left to right - April Bresky, Matthew Boyko, Adrian MacKinnon, Randy Merkel, Jonah Desjarlais, Natasha Scott, Emily Mosley. Missing - Michelle Shah.

offense and Matt Boyko saved the team on defense.

Adrian MacKinnon and Randy Merkel cored our points.

After this nailbiter, the Blue Lightning went on to play Vilna in the boiling afternoon sun (26°C in the shade). Candace Babcock made some nice saves on defense and booted it up to Natasha Scott and Emily Mosley who challenged the goal-keeper. Zoey Kinjerski raced ahead of Vilna's forwards and blocked their shots. Michelle Shah and April Bresky passed cleanly to Adrian MacKinnon, who scored our first point. Natasha Scott showed off a great head butt to control the ball. Christina Moores scored our second point but it was a 13-2 win for Vilna.

The Lightning's third

game against Saddle Lake was cancelled because Saddle Lake didn't show, so was counted as a win for Elk Point.

For the last game of the day in almost 30°C sunshine, with the sweat pouring off everyone, we lost to Mannville, although every player on our tired team played an awesome game. I think the half-time water-bottle fights contributed to the camaraderie on this team and I congratulate them for their spirit of sportsmanship as well as the bronze medal they brought home.

To all the players at the Lakeland Division Tournament: well done, everyone.
